- 8.1** A Joint Committee for the Administration of the Agreement (JCAA) shall be composed of a maximum of four (4) representatives of each Party.
- 8.2** The purpose of the JCAA is to provide a forum for discussion of matters pertinent to the operation of the Agreement and other matters of interest to both Parties and to perform such other functions as may be assigned to it by this Agreement or by the Parties to this Agreement.
- 8.3** Any change to a University policy that impacts the working conditions of Contract Instructors shall be brought to the JCAA for meaningful consultation with the Union no later than ten (10) working days from when the intent to enact such change is known to the Employer, except where precluded by emergencies.
- 8.4** The Parties agree that any change contemplated by Carleton University that impacts either the working conditions of Contract Instructors, or the overall teaching environment at Carleton University will be brought to the JCAA for meaningful consultation with the Union prior to being implemented.
- 8.5** The Professional Development Fund shall be a standing agenda item at the JCAA.
- 8.6** Technological change introduced by the Employer that impacts Contract Instructor working conditions shall be a standing agenda item at the JCAA.
- 8.7** The JCAA shall meet at least once a month. Meetings may be called by either party by mutual consent. A quorum shall consist of two (2) representatives of each Party.
- 8.8** Minutes of meetings shall be taken, and the responsibility for doing so shall alternate between the Union and Employer. Minutes of all such meetings will be shared between the Parties no later than twenty (20) working days following the date of the meeting unless the Parties agree to extend the deadline. The minutes so recorded shall be reviewed for approval.
- 8.9** The Parties agree to refer the matter of participation by Contract Instructors in University governance at the levels of the department, faculty, Senate, and Board of Governors to the JCAA.

ARTICLE 9 - ANTI-DISCRIMINATION AND ANTI-HARASSMENT

- 9.1 The Employer and the Union agree that there shall be no discrimination, harassment, violence, interference, restriction, or coercion exercised or practised with respect to any member of the bargaining unit in any matter concerning working conditions, or the application of the provisions of this Agreement by reason of any of the prohibited grounds listed in the *Ontario Human Rights Code* (age, race, creed, colour, ethnic origin, record of offences, citizenship, ancestry, disability, sex, sexual orientation, gender identity, gender expression, family status or marital status, place of origin), political or religious affiliations or beliefs, or by reason of their non-membership or activity in the Union nor by the Employee's exercise of any right or provision under this Agreement.

The Employer shall not restrict the employment of anyone on the basis of disability, provided that such disability does not interfere with their ability to meet the requirements of the job. Where practicable, attempts shall be made to adjust employment requirements to accommodate the person's disability.

- 9.2 The Employer and the Union recognize the rights of Employees to work in an environment free from harassment and acknowledge their responsibilities to take all reasonable and appropriate actions to foster such an environment.

Harassment includes, but is not limited to, sexual harassment, gender harassment, racial and ethnic harassment, and personal/workplace harassment whether or not it is based on the prohibited grounds outlined in the *Ontario Human Rights Code*.

Harassment means engaging in a course of vexatious comment or conduct against a worker in a workplace that is known or ought reasonably to be known to be unwelcome.

Harassment can be psychological, verbal or physical or it can be a combination of these. It is any behaviour, whether deliberate or negligent, which denies individuals their dignity and respect, is offensive, embarrassing or humiliating to the individual and adversely affects the working environment. It may take the form of excluding an Employee from rights or privileges related to their employment and to which they are otherwise entitled.

The Parties formally recognize their obligations under the *Ontario Occupational Health and Safety Act* and *Ministry of Training, Colleges and Universities Act*, in particular with relation to the prevention of sexual violence and sexual harassment in the workplace. All required training shall be provided and paid for by the Employer, who shall pay any costs associated with developing and providing such training.

- 9.3 Workplace sexual harassment is defined as:

- engaging in a course of vexatious comment or conduct against a worker in a

workplace because of sex, sexual orientation, gender identity or gender expression, where the course of comment or conduct is known or ought reasonably to be known to be unwelcome; or

- making a sexual solicitation or advance where the person making the solicitation or advance is in a position to confer, grant or deny a benefit or advancement to the worker and the person knows or ought reasonably to know that the solicitation or advance is unwelcome.

9.4 Sexual violence means: any sexual act or act targeting a person's sexuality, gender identity or gender expression, whether the act is physical or psychological in nature, that is committed, threatened or attempted against a person without the person's consent, and includes sexual assault, sexual harassment, stalking, indecent exposure, voyeurism, and sexual exploitation.

9.5 Harassment does not include:

- (a) Interpersonal conflict or disagreement;
- (b) The proper exercise of management's rights;
- (c) Performance management;
- (d) Operational directives;
- (e) Job assignments; or
- (f) Inadvertent management errors.

9.6 The Employer and the Union recognize the right of individuals to determine their own gender identity. Employees shall not face discrimination or harassment for determining or expressing their gender identity.

9.7 Complaint Process

- (a) The Employer and the Union agree that all Employees of the University are responsible to adhere to the University's policies on human rights as well as those on the prevention of workplace/sexual violence and workplace/sexual harassment.
- (b) Any complaint of harassment may also be grieved using the procedures set out in Article 13 of the Agreement.
- (c) Where the respondent to the complaint is the person who would normally deal with any of the steps of the grievance, the grievance shall automatically be sent forward to the next step.

- (d) A copy of the following documents shall be retained on the University website; in Human Resources; and in the Union Office:
- Carleton University's Human Rights Policies and Procedures (including such Discrimination and Harassment Policies as the Sexual Harassment Prevention Policy at Part IV s.4);
 - Carleton's Workplace Harassment Prevention Policy;
 - Carleton's Workplace Harassment Prevention Program;
 - Carleton's Workplace Violence Prevention Policy;
 - Carleton's Workplace Violence Prevention Program;
 - Carleton's Environmental Health and Safety Policy;
 - Carleton's Sexual Violence Policy.
- (e) The Employer will ensure that the above documents are provided electronically to the Union Office.
- (f) All matters arising from this Article will be administered in accordance with the University's Sexual Violence Policy, as amended from time to time; the University's Access to Information and Privacy Policy, as amended from time to time, and the *Freedom of Information and Protection of Privacy Act* (FIPPA).
- 9.8** (a) If an Employee, supported by the Union, chooses not to pursue a complaint through Carleton University's Sexual Violence Policy and instead seeks an informal resolution with the respondent, the Employer will, where possible, facilitate this process in cooperation with the Union.
- The Parties agree that some circumstances involving allegations of discrimination or harassment warrant separation of the complainant and alleged harasser. The complainant may request such a separation in accordance with the appropriate policy listed in Article 9.7 (d).
- (b) Employees are entitled to Domestic or Sexual Violence Leave in accordance with the *Employment Standards Act, 2000, S.O. 2000, c.41* as amended from time to time. Such leaves will be granted without regard to the statutory 13-week service requirement.

9.9 Whistleblower Protection

There shall be no retaliation or threat of retaliation against an Employee who, in good faith and on the basis of a reasonable belief, reports wrongdoing by any member of the campus community or who gives information or evidence in relation to the reported wrongdoing. The filing of frivolous, vexatious and or malicious complaints shall constitute grounds for discipline.

ARTICLE 10 – ACADEMIC FREEDOM

- 10.1** The Parties agree neither to infringe nor abridge the academic freedom of the members. Academic freedom is defined as the freedom to teach, examine, question, and learn without deference to prescribed doctrine, without interference from outside bodies, and in compliance with legislation, and with regard for the academic freedom of others. Academic freedom in teaching is the right, without restriction by prescribed doctrine, to teach and discuss. It includes the freedom of Contract Instructors to organize course content and learning activities, to assess and evaluate student academic performance, to select pedagogical approaches, and to assign educational material in a manner consistent with academic standards, the course description, and the learning outcomes for the course, as approved by the University. Academic Freedom comes with the duty of scholarly integrity, meaning that the freedom must be used in a manner consistent with the responsibility to base teaching and scholarship in an honest, ethical, and rigorous search for knowledge. Academic freedom is not unlimited, it does not confer legal immunity, nor does it diminish the obligations of members to meet their duties and responsibilities as Contract Instructors.
- 10.2** If a bargaining unit member asks that some of their own books be placed on library reserve, the Employer cannot reject them based on moral, religious or political values.
- 10.3** Notwithstanding any other provisions of Article 10, the Employer reserves the right to specify what textbooks are to be used in order to conform to published course descriptions, to match parallel sections of a course, to meet prerequisites required for other courses or to meet academic objectives of the academic unit.
- 10.4** The Parties recognize that the common good of society depends upon the free and open exchange of ideas. The prime role of Employees shall be to disseminate knowledge and understanding through teaching. Employees are not required to engage in scholarly activities other than as necessary for the performance of their teaching duties.
- 10.5** All Employees shall have the following rights and responsibilities:
- (a) Subject to the provisions of this Article, Employees shall have the right and

responsibility to organize and structure classroom and laboratory activities within the limits set by curriculum requirements and available facilities and to adopt reasonable means to maintain a learning environment which is both productive and orderly.

- (b) Employees shall teach conscientiously and competently the course(s) assigned to them, in accordance with course outlines which may be provided by their department.
- (c) Employees shall work in cooperation with course coordinators.
- (d) Employees shall deal ethically and fairly with students, foster a free exchange of ideas, not allow or perpetuate discrimination and harassment, respect the principles of confidentiality in a manner consistent with their instructional role, and provide their students with information in the course outline regarding their instructional and evaluation methods.
- (e) Employees shall be conscientious in the preparation and organization of subject matter and in the revision of that subject matter to reflect changes in the field, in accordance with appropriate departmental guidance.
- (f) An employee shall not unilaterally miss, cancel, or terminate scheduled instruction without the express approval of the Academic Head, except in the case of sudden illness, or emergency and even in such cases shall make every effort to inform their Academic Head and students. In other circumstances, subject to the approval of the Academic Head arrangements for re-scheduling or for a substitute must be made in advance of missing scheduled instruction. Instruction missed shall be re-scheduled, if possible, with adequate notice to the students. The modality of the re-scheduled instruction shall be determined by the Instructor, with the approval of their Academic Head. When an unauthorized absence occurs, the Employer shall invite the Employee to a meeting for the purpose of providing the Employee an opportunity to explain the reason(s) for the absence. The Union shall be informed of the meeting at least three (3) working days prior to its being held and the Employee shall be told of their right to have Union representation at the meeting. If as a result of the meeting, the Employer determines that an unauthorized absence occurred without a sudden illness, emergency, reasonable cause, or other mitigating factors, the Employer may, in its reasonable discretion, impose disciplinary measures up to and including termination of the course contract. Where termination is imposed, the associated seniority points shall not be awarded.
- (g) Employees shall comply with established university policies, procedures and deadlines for providing course outlines and for reporting and reviewing the grades of their students, and with other reasonable procedures and deadlines as may be necessary for the well-ordered operation of the

University. Apart from deferred examinations and minor administrative tasks, Employees will not be required to perform teaching related duties outside the periods of employment specified in their contracts.

- (h) Employees shall inform the students and department of the times when and/or the methods by which they will normally be available for consultation. The times and/or methods shall be such as are likely to be convenient for the students and adequate for the numbers of students involved.

10.6 The Employer acknowledges a continuing responsibility to maintain a climate in which the teaching functions of Employees may be effectively carried out and undertakes to provide Employees with reasonable opportunity to carry out their responsibilities effectively.

10.7 Every Employee may indicate that they are employed by Carleton University as a Contract Instructor in their curriculum vitae, resumes, websites, and other social media, so long as they do not purport to represent the Employer or to speak on the Employer's behalf unless specifically authorized to do so.

10.8 Intellectual Property

- (a) The Contract Instructor will own all intellectual property rights with respect to original work produced by the Contract Instructor for their assigned course(s), except:
 - (i) where there is a mutually agreed upon contract to the contrary between the Contract Instructor and the University or the University and a third party, which assigns the ownership rights of the intellectual property to the University or the third party; or
 - (ii) where the University has contributed assistance in the creation or development of the intellectual property, whether by way of funds, resources, facilities and/or support, or technical personnel employed by the University beyond that which is normally provided for the performance of their job duties as a Contract Instructor at the University. In such cases, the Contract Instructor shall share joint ownership rights of the intellectual property with the University. Neither Party may sell, transfer, dispose of, destroy, or exclusively licence any jointly owned intellectual property rights without the written agreement of the other Party. The absence of a written agreement shall not otherwise deprive either Party of its rights as a joint owner of the intellectual property.
- (b) Each Contract Instructor hereby grants, or shall cause to be granted, to the University a non-exclusive, royalty-free, non-transferable license without restrictions as to territory to use any work created in the course of the

Contract Instructor's employment for non-commercial administrative purposes for a minimum of a five-year period after the Contract Instructor's last date of employment. A Contract Instructor may then give notice to terminate their license to the University for use of a particular work owned by them upon six months advance written notice to the appropriate faculty Dean. The University may only use a Contract Instructor's intellectual property for teaching purposes in the event of that Contract Instructor's unplanned absence or unavailability, and only for a period of time reasonably necessary to ensure academic continuity with respect to the course(s) affected by the Contract Instructor's unplanned absence or unavailability. The University will credit the Contract Instructor as an author or creator of such work where reasonable and appropriate, unless the Contract Instructor requests in writing not to be associated with the work.

- (c) No Contract Instructor shall claim any copyright in any work produced pursuant to assessments, grading, reports, correspondence, or feedback to the University.
- (d) No Contract Instructor shall claim copyright in any works, or any modifications, adaptations, edits, additions, or corrections made to any work provided to the Contract Instructor to assist them in carrying out their duties, including, but not limited to, a laboratory manual or works designed to assist in the day-to-day administration, operation, and/or management of the University's affairs.
- (e) Nothing in this Article shall limit or abrogate the right of the University and a Contract Instructor to enter into a separate agreement for the creation of intellectual property in exchange for payment or other consideration.

ARTICLE 11 – DISCIPLINE AND DISCHARGE

- 11.1** The Employer shall not discipline, suspend or discharge an Employee without just and proper cause. Disciplinary action shall be reasonable and shall be demonstrably proportionate to the seriousness of the specific violation. Where the Employer cancels a course at any time prior to the third scheduled class because of insufficient enrolment, the position is thereby terminated, and such termination does not contravene this Article. In any grievance over disciplinary action, the burden of proof of just cause lies with the Employer.
- 11.2** The Dean shall be responsible for administering discipline in accordance with the provisions of this Article.
- 11.3** An Employee shall have the right to have a Union representative present, at any meeting between the representative of the Employer and the Employee called expressly to discuss or impose discipline or discharge. The Employer will inform the

Employee of this right prior to any disciplinary meeting. If an Employee chooses not to exercise this right, the Employee's decision shall be communicated to the Union by the Employer and shall copy the member on the communication. An Indigenous Employee may elect to have an Indigenous Elder or Knowledge Keeper present at the meeting as a silent support person. The Employee shall be responsible for making all arrangements for such support.

- 11.4** Where a meeting concerning discipline is to be called, the Employer shall normally notify the Employee, in writing, at least two (2) working days prior to the meeting about the purpose of the meeting, the allegations to be discussed, the time and location of the meeting, that a representative of the Union, if readily available, may attend the meeting, should the Employee so choose.
- 11.5** When an Employee is suspended or discharged, the suspension or discharge shall be confirmed in writing to the Employee with a copy to the Union stating the reasons for the discipline, within three (3) working days following the date on which the decision to implement a suspension or discharge was made. A copy of any written reprimand shall set out the reasons for the reprimand and shall also be provided to the Union within three (3) working days following the date on which the decision to issue the reprimand was made.
- 11.6** An Employee who has been suspended or discharged may, with the support of the Union, present a grievance directly at Step 2 of the grievance procedure within ten (10) working days of receipt of written notice of suspension or discharge.
- 11.7** Any informal discussion (such as coaching, advice, or recommendations for performance improvement) shall not be considered discipline.

11.8 Progressive Discipline

Disciplinary action shall normally be taken in accordance with the principles of progressive discipline, and be reasonable and commensurate with the seriousness of the violation.

A written disciplinary warning shall normally precede more serious disciplinary action (such as a suspension or discharge), except in the case of serious misconduct as determined by the Employer. If applicable, any written disciplinary warning, shall include a description of the improvement required and identify a reasonable time in which the Employee must demonstrate the required sustained improvement in the area of concern.

Prior to the imposition of any discipline, the Employer has the right to impose a non-disciplinary suspension with pay during the period of an investigation of a matter or until the end of the current appointment, whichever comes first.

- 11.9** All matters arising from this Article will be administered in accordance with the

University's Access to Information and Privacy Policy, as amended from time to time, and the *Freedom of Information and Protection of Privacy Act (FIPPA)*.

- 11.10** Where the Employer adopts or implements any discipline policy with respect to the members of the Bargaining Unit, copies of this policy shall be available in the departmental offices and be provided to the Union.

ARTICLE 12 – CONFIDENTIALITY & ACCESS TO PERSONNEL RECORDS

- 12.1** The Parties agree that this Article is intended to be consistent with the University's Policy on Privacy and Freedom of Information.

- 12.2** (a) An Employee shall have the right to examine the contents of their personnel records during normal business hours, with the exception of confidential letters of reference. The Employee may request and the Employer shall provide the names of authors of such confidential letters.

- (b) Except for confidential letters of reference and student teaching evaluations, no material on the Employee's record related to the Employee's performance shall be used in a hiring decision unless the Employee has been notified that it has been added to the record.

- 12.3** An Employee shall have the right to have the Employer prepare, at reasonable intervals, copies of non-confidential items in the Employee's personnel records, at no cost to the Employee.

12.4 Disciplinary Documents

- (a) Subject to Article 12.5, where a letter imposing discipline, or other disciplinary documents, or both is being added to an Employee's personnel record, the official copy shall be retained in the Office of the Deputy Provost.

- (g) compliments and letters of thanks shall be retained in accordance with the University's Records Retention Schedule.

ARTICLE 13 - GRIEVANCE PROCEDURE

13.1 Definition

A grievance shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of this Collective Agreement. The Union has carriage of the grievance. In order to file a grievance, an Employee must have the approval of and be represented by the Union.

13.2 Union Representation

The Employer acknowledges the rights and duties of the Union Stewards and representatives to assist Employees in presenting their grievances in accordance with the procedure. The Employer will recognize stewards designated by the Union, provided that the Union has notified the Employer in writing of the name of each steward, including the Chief Steward. Stewards shall be Employees of the

Employer.

A Steward shall obtain the permission of their Academic Head before leaving their work to investigate complaints or grievances of an urgent nature, or to meet with the Employer to deal with these matters. Such permission shall not be unreasonably withheld.

13.3 Complaint Stage

An Employee who feels aggrieved shall attempt to resolve the matter informally with their Academic Head. Subject to Article 9.7(c) an Employee Grievance shall not be considered at Step 1 or higher unless it includes evidence of an attempt to resolve the matter at the complaint stage.

13.4 Types of Grievance

Employee Grievances

An Employee Grievance is a claim by an Employee, who is solely affected, that the terms and conditions of this Agreement have been violated, misapplied, or misinterpreted.

Group Grievances

Any dispute affecting a group of Employees which is taken up on their behalf by the Union constitutes a group grievance. A group grievance may be presented directly at Step 1 within twenty (20) working days of the date when the circumstances giving rise to the grievance could reasonably have become known by the Employees.

Union Grievances

A grievance arising directly between the Union and the Employer, which could not form the subject of an individual or group grievance, may be presented as a Union Grievance directly at Step 2 within twenty (20) working days of the date when the circumstances giving rise to the grievance could reasonably have become known by the Union.

- 13.5** (a) The Employer acknowledges the right of a representative of the Union to be present at all complaint and grievance meetings.
- (b) In all cases, a written response at each step shall be delivered to the Union.

13.6 Step 1

An Employee and Union representative may present a grievance in writing to the

Academic Head or their designate within twenty (20) working days of the date when the circumstances giving rise to the grievance could reasonably have become known to the Employee. The Academic Head or their designate shall sign and date the form and shall return a copy to the grievor. A copy shall be forwarded to the Director, Labour Relations (Academic).

A grievance resolution meeting shall take place within twenty (20) working days of the Employer's receipt of the grievance.

The grievance shall be answered in writing within eleven (11) working days of the grievance resolution meeting.

Step 2

If the Employee is not satisfied with the response at Step 1, they and the Union representative may, not later than ten (10) working days after receipt of the decision, or if no decision was received, not later than ten (10) working days after the last day on which they were entitled to receive a decision, transmit the grievance, along with the Step 1 decision, if any, to the appropriate Dean or their designate, with a copy to the Director, Labour Relations (Academic).

A grievance resolution meeting shall take place within twenty (20) working days of the Employer's receipt of the grievance.

The grievance shall be answered in writing within eleven (11) working days of the grievance resolution meeting.

If the grievance is not resolved, the Union may refer the grievance to arbitration.

13.7 Time Limits

The time limits stipulated in the procedure may be extended by agreement between the Employer representative, and the Union representative. In exceptional circumstances, the Union may apply to the Director, Labour Relations (Academic) for expedited processing of a grievance. If the Employer consents, or if the Employer does not respond in a reasonable amount of time at the other steps, the grievance may be presented directly at Step 2.

Where an Employee pursues a remedy under a Carleton University policy and procedure concerning sexual harassment and/or sexual violence, the time limits in this Article shall be held in abeyance. Any member who has experienced workplace sexual harassment and/or sexual violence shall have one (1) year from the date that the incident or situation occurred to initiate a grievance.

For purposes of greater clarity, any Employee who proceeds first in accordance with University policies ("Policy") related to sexual harassment and/or sexual violence

does so without prejudice to all grievance protections under this Collective Agreement.

An Employee shall be free to present a grievance at any time during the policy process (save and except where the Employee has agreed to a mediated binding settlement). Further, where the process has completed, an Employee who is dissatisfied with the outcome of the Policy process shall have twenty (20) working days from the date the Employee is advised of the conclusion/results of the Policy process to initiate a grievance as per the regular grievance process.

13.8 Binding Decisions

The Parties shall be bound by and shall promptly implement all decisions arrived at under the procedures described in this Article.

13.9 Withdrawal of Grievances

The withdrawal of a grievance by the Union at any step prior to the Union's referral to arbitration shall be without prejudice to grievances on similar matters provided the Union notifies the Employer in writing of its decision to withdraw the grievance without prejudice.

13.10 Mediation

The Parties agree that it is their intent to resolve grievances without recourse to arbitration, wherever possible. Therefore, notwithstanding Step two (2) above the Parties may, on mutual agreement, engage the services of a mediator in an effort to resolve the grievance and may extend the time limits for the referral to arbitration. The Parties will share equally the fees and expenses, if any, of the mediator.

ARTICLE 14 – ARBITRATION

14.1 Either of the Parties may, within ten (10) working days after the grievance procedure under Article 13 has been exhausted, notify the other Party in writing of its desire to submit the grievance to arbitration. In the event the Parties are unable to agree on the appointment of an arbitrator within forty-five (45) calendar days following the referral of a grievance to arbitration, either Party may request that the Ministry of Labour appoint an arbitrator in accordance with the provisions of Section 49(4) of the *Ontario Labour Relations Act*. The arbitrator shall hear and determine the grievance and shall issue a decision that is final and binding upon the Parties and upon any Employee affected by it.

14.2 The arbitrator shall have no authority to add to, subtract from, change, alter, or ignore in any way the provisions of this Agreement or any expressly written amendment or supplement thereto, or to extend its duration, or to make an award that has such effect unless the Parties have expressly agreed, in writing, to give it

specific authority to do so.

- 14.3** Where the grievance concerns discharge, suspension, or disciplinary action, the arbitrator has the authority to reinstate an Employee with or without compensation for wages and any other benefits lost, or to make any other award it may deem just and reasonable that is consistent with the terms of this Agreement.
- 14.4** Each Party shall bear the expenses of its representatives, participants, and witnesses, and of the preparation and presentation of its own case. The fees and expenses of the arbitrator, the hearing room, and any other expenses incidental to the arbitration hearing shall be borne equally by the Parties. The Parties agree to use University facilities whenever possible.
- 14.5** Time limits set out in this Article may be extended by agreement, in writing, between the Parties.
- 14.6** No grievance shall be deemed to be lost due to minor technical irregularities.

15.5 Contract Offers

The Employer shall endeavour to make offers of employment sufficiently in advance of the commencement of the course to provide adequate time for preparation. An offer of employment is not valid unless it is signed by the Academic Head and the Dean or designate. It becomes a contract when it is then signed by the Employee.

Contract offers for regular and late postings shall follow the following timelines:

- i. Regular Postings: no later than thirty (30) calendar days after the closing date for applications.

ARTICLE 16 – HIRING, INCUMBENCY & SENIORITY

Hiring Process

16.1 Except as provided in Article 17, all positions shall be filled in accordance with this Article.

16.2 (a) Academic Heads wishing to offer teaching to doctoral students or postdoctoral fellows must first contact the Dean to ascertain their allocation of such positions within the Faculty's limit of seventeen percent (17%) (see Article 17.2).

(b) Hiring of doctoral students and postdoctoral fellows under the provisions of Article 17, and of Visiting Scholars under the provisions of Article 16.3 (f), will be undertaken before Article 16.3 (d).

16.3 (a) Where a vacancy is posted and an applicant meets the incumbency criterion in Article 16.4 (a), the course shall be offered to the incumbent.

(b) Where two (2) or more applicants have incumbency rights under Article 16.4 (a) and (b), the more senior Employee shall be offered the course.

(c) Where there are no incumbents, the Employer shall consider qualified members with seniority as outlined in Article 16.5 provided they have applied to that course in accordance with Article 15.4, before non-members. For the

purposes of this Article, qualifications shall mean a candidate's academic and professional qualifications and skills, teaching competence and other relevant experience. When there are two (2) or more qualified members and the qualifications of the candidates are relatively equal, the candidate with the greatest seniority shall be appointed. In the event that two or more qualified members hold relatively equal qualifications, and the members hold an equal number of seniority points, the Academic Head shall appoint a candidate.

- (d) Applicants shall be contacted indicating all of the courses for which they are the most senior incumbent and/or qualified applicant for each course with the most seniority. If the course has multiple sections, the most senior incumbent should be offered all sections. If the number of courses and sections offered is over the allowed limit of two (2) credits in the fall/winter terms or will put an applicant over the three (3) credit limit for the academic year, the applicant shall be asked to choose which courses and sections they prefer to teach.
- (e) Where there are no incumbents or qualified applicants with seniority available to teach the course, the hiring is open to qualified outside applicants. The most qualified outside applicant shall be appointed, taking into account the candidates' academic and professional qualifications, skills, teaching competence, and other relevant experience.
- (f) Where a person who has been appointed as a Visiting Scholar is available to teach a course, the Employer may offer the position to that person without a competition. The Employer will advise the Union when a course is assigned pursuant to this Article. Where a Visiting Scholar is assigned to a course for which at least one (1) Employee has incumbency and is displaced by such an appointment, the Employee who is the most senior incumbent shall be offered another available position for which they are qualified and most senior. If no such position is available, the Employee will be credited with seniority for that course.

Incumbency

- 16.4** (a) Where an applicant is a member of the bargaining unit and has previously taught the course for which they are applying or an equivalent course within the last sixty (60) months, provided their teaching performance in the course is satisfactory in accordance with Article 18 (Student Experience Questionnaire and Contract Instructor Teaching Performance), the course must be offered to the Employee in writing. An Employee shall not be disqualified from such employment until all steps outlined in Article 18.2 are fulfilled. The Employer may refuse to offer the position to the Employee where such refusal is part of a disciplinary action subject to the provisions of Article 11 (Discipline and Discharge).

- (b) Where a member's first teaching evaluation is still forthcoming, the Academic Head shall treat a candidate as an incumbent.
- (c) Where two (2) or more incumbents have taught the course or an equivalent course within the last sixty (60) months, the Employee with the greatest seniority shall be appointed.

Seniority

- 16.5** For the purposes of this Article, seniority means the number of full course equivalents that the candidate has taught as a Contract Instructor at the University since September 1, 1994. Seniority ceases if the Employee has not accumulated seniority points in the past twenty-four (24) months. This period shall be extended by any period for which the Employee was on approved leave under this Agreement, served on the Executive Board of the Union, or was employed as a full time Academic staff member at Carleton.
- 16.6** Where a current Employee is applying for a position for a subsequent term, they shall, for the purposes of that application, be credited with seniority for the current term.
- 16.7** Seniority must be considered at the time of hiring, not at the time of course commencement. For example, where an Employee applies for a course that starts on January 1, 2013 and the Employee's seniority ceases on December 31, 2012, the Employee's seniority points must be considered in the hiring decision.
- 16.8** The Employer shall provide the Union with a seniority list of all bargaining unit members. The seniority list will be posted on the University website, and shall be updated each term by the end of the second month of the following term. The Employer and the Union shall notify the members of the existence of the list on the website. Ensuring the accuracy of individual seniority points as included in the posted seniority list is the purview and responsibility of each Employee. Where seniority has ceased as per Article 16.5, and an Employee has not worked as a Contract Instructor for thirty-six (36) months or longer, their name shall be removed from the seniority list.

Emergency Hire

- 16.9** (a) Where the need for a Contract Instructor position arises within six (6) weeks of the first day of classes or after classes have commenced, the Employer may fill the position in accordance with this clause. The Union shall be notified within one (1) week of enacting the emergency hiring provisions.
- (b) In such cases, the Employer shall offer the course to the most senior incumbent. If the most senior incumbent is unavailable, then the Employer

shall offer the course to the next most senior incumbent pursuant to the seniority list (see 16.8) until the pool of incumbents in the course is exhausted.

- (c) Where there are no incumbents, the Employer shall consider qualified members with seniority as outlined in 16.5 before non-members
 - (d) For the purposes of this Article, qualifications shall mean a candidate's academic and professional qualifications and skills, teaching competence, and other relevant experience. Where there are two (2) or more qualified members and the qualifications of the candidates are relatively equal, the candidate with the greatest seniority shall be appointed.
 - (e) Where there are no incumbents or qualified members with seniority, the Employer may fill the position.
 - (f) If an applicant is offered a course under this Article, they shall reply electronically within three (3) calendar days of receipt of an offer of employment.
 - (g) The Employer shall endeavour to make offers of employment sufficiently in advance of the commencement of the course to provide adequate time for preparation. An offer of employment is not valid unless it is signed by the Academic Head and the Dean or designate. It becomes a contract when it is then signed by the Employee. For emergency hires, the employee shall receive their offer of employment within five (5) days of the contract start date.
- 16.10** Where a person has designed a new course not previously listed in the Calendar, the Employer shall offer the position to that person without a competition the first time the course is to be given. Where the course is not offered in the first year after it is designed, the department and the Employee shall agree on suitable compensation for the design work. If they cannot agree, the matter shall be referred to JCAA. Any such agreements shall be without prejudice and shall not establish a precedent.
- 16.11** The Employer shall advise the Union of any positions filled pursuant to this Article.
- 16.12** Each department shall post a list of all Contract Instructors of record in the department.
- 16.13** The Employer shall develop a list of all Contract Instructors per course, along with a list that indicates whether the Contract Instructor was hired due to incumbency, incumbency with the most seniority, seniority, an Article 17 appointment, a Visiting Scholar (Instructor) appointment or open competition. Any questions or concerns regarding the generation of this list will be dealt with at JCAA. These lists will be sent to CUPE 4600 (Unit 2) on a monthly basis.

ARTICLE 17 – APPOINTMENTS OF DOCTORAL STUDENTS AND POSTDOCTORAL FELLOWS

- 17.1** At its discretion, the Employer may offer Contract Instructor(s) duties to registered doctoral students, and postdoctoral fellows without competition, subject to the following provisions.
- 17.2** The total number of credits taught by doctoral students and postdoctoral fellows under this Article shall not exceed seventeen percent (17%) of all credits taught by Contract Instructors in each Faculty in the preceding year.
- 17.3** An Employee who has been assigned Contract Instructor(s) duties pursuant to this Article will accrue seniority in accordance with Article 16; however, such seniority cannot be used until after the Employee has won a position pursuant to Article 16.
- 17.4** No doctoral student or postdoctoral fellow may be assigned more than a lifetime maximum of two (2) credits (or equivalent) under this Article.
- 17.5** Once a position has been posted for open competition, no appointment shall be made pursuant to Article 17.
- 17.6** Where a doctoral student or postdoctoral fellow is assigned to a course for which at least one (1) Employee has incumbency, the Employee who is the most senior incumbent shall be offered another available position for which they are qualified and most senior. If no such position is available, the Employee will be credited with seniority for the course.
- 17.7** Displacement of Employees who have incumbency shall not exceed one and one-half (1.5) full courses (or equivalent) in any one (1) department in any year.
- 17.8** The Employer shall report to the Union the name of the student Contract Instructor or postdoctoral fellow and the course taught for any course that is assigned to a doctoral student or postdoctoral fellow pursuant to this Article. The Employer shall maintain a record of the number of courses taught by each doctoral student, or postdoctoral fellow pursuant to this Article.
- 17.9** Where a person who has been appointed as a visiting scholar has previously been employed as a Contract Instructor under this Agreement, their hiring will be governed by Article 16 unless there is demonstrable evidence of an employment change leading to the visiting scholar appointment.
- 17.10** Every doctoral student appointed under this Article shall be notified in writing by the University that, should they wish to maintain their priority teaching assistant assignment, they are required to take a leave from duties from their teaching assistant assignment(s) in the term(s) in which they are employed as a Contract Instructor. A leave from duties form must be completed by the doctoral student, subject to the applicable terms of the Agreement between the Employer and CUPE

4600 (Unit 1).

ARTICLE 18 – STUDENT EXPERIENCE QUESTIONNAIRE AND CONTRACT INSTRUCTOR TEACHING PERFORMANCE

- 18.1** (a) Recognizing that the establishment of a high-quality classroom learning environment is beneficial to both Parties to this Agreement, the Student Experience Questionnaire (SEQ) shall be conducted in all classes having enrolments of five (5) or more students.
- (b) The instrument(s) used, and the information required shall be determined by the Employer.
- (c) In accordance with Article 8.3, any change to teaching evaluation instruments or teaching evaluation processes or both contemplated by Carleton University which may impact CUPE 4600 (Unit 2) Employees will be brought to the JCAA for meaningful consultation with the Union prior to being implemented.
- (d) It is the responsibility of the Contract Instructor to administer the student experience questionnaire as instructed. They shall not be held responsible for issues beyond their control, as determined by the Employer.
- 18.2** (a) The SEQ score in any course shall be determined by the Instructor score reported in the Average Column on the Retrospective Teaching Evaluation Report produced by the Office of Institutional Research and Planning (OIRP).

Each questionnaire shall allow for students to make detailed comments. The sole purpose of these comments is to assist the instructor in evaluating all aspects of the course. These comments shall be returned unexamined to the instructor.

The response rate in any course shall be determined by dividing the number reported in the “number of respondents” (# Resp) column by the number reported in the “enrolment” (Enrl.) column on the Retrospective Teaching Evaluation Report produced by the OIRP.

Where the response rate in any course falls below fifteen percent (15%), the SEQ score for that course shall be deemed anomalous and no further action will be required.

- (b) Any assessment of teaching performance will be based on the Employee’s performance in a specific course or courses within an academic unit within a two (2) year period.
- (c) When assessing the teaching performance of individual Employees, the Academic Head must consider relevant factors including but not limited to:

course outlines, student assessment strategies, SEQ scores, the Employee's role in developing course materials, adherence to applicable deadlines and University regulations, responsiveness to student inquiries, and peer evaluations, if applicable.

Data gathered electronically via any digital program or platform (e.g., learning management system, web conferencing tools) shall not be considered when evaluating teaching performance without written notification to the Employee at least forty-eight (48) hours in advance. When an Academic Head intends to use electronic data in an assessment of teaching performance, the Contract Instructor shall be advised in writing in advance and shall be provided with an opportunity to respond to the data.

Electronic data shall be gathered in accordance with the University's *Policy on Electronic Monitoring* (as amended from time to time).

- (i) When the Academic Head determines that there is a need to discuss the teaching performance of an Employee, the Academic Head will convene a meeting with that Employee. The Employee may be accompanied by a Union representative at this meeting. An Indigenous Employee may elect to have an Indigenous Elder or Knowledge Keeper present at the meeting as a silent support person. The Employee shall be responsible for making all arrangements for such support. At this meeting, the Academic Head and the Employee will discuss the latter's teaching performance and strategies to address any issues identified.
- (ii) If within a period of four (4) years, the Academic Head determines that there is again a need to discuss the teaching performance of a given Employee, the Academic Head will convene a meeting with that Employee. The Academic Head will advise the Employee of their right to Union representation at this meeting. An Indigenous Employee may elect to have an Indigenous Elder or Knowledge Keeper present at the meeting as a silent support person. The Employee shall be responsible for making all arrangements for such support. This meeting will give the Employee an opportunity to provide additional information they deem relevant to their teaching performance.

After this meeting, the Academic Head shall notify the Employee whether or not an action plan is warranted. When an action plan is warranted and such a plan has not been developed for that Employee within the past four (4) years, a non-disciplinary action plan shall be developed by the Academic Head in consultation with the Employee. The Academic Head may require that support be put in place to assist the Employee. Such support may include advice and assistance from Teaching and Learning Services at no cost to the Employee.

The Academic Head may also require that a peer evaluation be undertaken as part of the action plan. If a member of the CUPE 4600 (Unit 2) bargaining unit is requested to undertake this peer evaluation, and agrees to do so, an honorarium of two hundred fifty dollars (\$250) will be paid to that person.

The action plan must be in writing and signed by the Academic Head who shall ask the Employee to sign the action plan as well. A copy of the signed action plan will be sent to CUPE 4600 within two (2) working days.

It is the responsibility of the Employee to provide evidence to the Academic Head that they have satisfactorily completed the action plan. All instances in which an Employee fails to fulfill an action plan will be referred to the Dean and addressed in accordance with the application provisions of the Collective Agreement.

- (iii) If within a period of four (4) years of an action plan having been developed, an Academic Head decides that an action plan is again warranted for the same Employee, the matter will be referred directly to the Dean.

18.3 The data from all courses taught by Contract Instructors shall be compiled as an overall summary, and by subject and Faculty. These data shall be transmitted to the Union by November 15 for the Summer term, by March 15 for the Fall term, and by July 15 for the Winter term.

18.4 Upon initial appointment, the Employer will request that Employees who are teaching courses that are designated as in-person by the University identify their evaluation format preference (either paper copies distributed in class or electronic). If an Employee does not make a selection by the deadline communicated by the Employer, an online evaluation will be undertaken. If a class is hybrid (e.g., in-person and online) or online only, the evaluation format shall be electronic.

ARTICLE 19 – WORKING CONDITIONS

19.1 (a) To the extent that resources permit, and as are required for the performance of their duties, Employees shall be provided with:

- (i) appropriate space and use of other facilities, services and equipment;
- (ii) library, computing and audio-visual facilities;

Library access shall be maintained for a period of twelve (12) months from the last day of the end of the academic term in which the Employee worked as a Contract Instructor. The Parties acknowledge that any extension of library access must be consistent with the Library's obligations under the provisions of applicable licensing agreements.

Contract instructors shall exclusively use their Carleton University email in the course of their employment-related duties. E-mail access shall be maintained for a period of twenty-four (24) months from the last day of the end of the academic term in which the Employee worked as a Contract Instructor.

- (e) Employees shall not be discriminated against with respect to the allocation of Teaching Assistants by virtue of their membership in the bargaining unit.
- (f) Employees with safety concerns should notify their Academic Head who will coordinate with the Department of Risk Management (DRM) to ensure safety planning is conducted. The University will assess their safety needs and determine, subject to budgetary approval as determined by the Dean, what supports are required such as a telephone, panic button, or other appropriate measures required to ensure a safe workplace in compliance with the *Occupational Health and Safety Act*, as amended from time-to-time.

19.2 An Employee may request, in writing stating reasons, that the Employer complete the form required by Canada Revenue Agency (currently the T2200 Form) for the Employee to use in support of a claim for home office expenses. Such request shall not be unreasonably denied.
